HEBER M. WELLS TO TAKE ACTION

Bond Issue.

IT IS NOT A FRIENDLY AFFAIR

Will Apply for Writ of Prohibition In Interests of Taxpayers and Not As a Mere Formality.

To the supreme court of Utah will fall the task of determining whether or not the municipal bonds voted for Sait Lake July 29 last are valid. In the opinion of many persons, certain phases of the bonding proposition, before and after the election, tended to invalidate the issue. Acting upon this sizmise, application for a writ of prohibition will be instituted in the court

hibition will be instituted in the court inducted, which has original jurisdiction in such matters, that the question may be lawfully settled.

The action will be brought by former Goy. Heber M. Wells, manager of the Utah Savings & Trust company, the law fam of Richards, Richards & Ferry heavy and heavy a retained in the matter. having been retained in the matter. Certain alleged flaws in the advertisement of the election will be set forth, as for instance, the absence of due putice of the polling places. Again it is contended that the advertisement of the bonds provided that they would be redeemed by specified funds, while the bonds themselves name a different the bonds themselves name a different

the honds themselves name a different losens of redemption.

The bends amounting to \$600,000, were purchased by Woodin, McNear & Co. of Chicago. It is said that the buyers are brokers rather than actual dealers in bonds, and have not been able to turn them over as easily as anticipated. The action to be instituted by Mr. Wells is not one of mere formality neither is it intended to be friendly to the bond proposition. It is solely the interests of the taxpayers that the true status is sought to be determined.

FOR UPLIFT OF CLERKS.

Association Will Hear Address Miss Emma L. Anphere Tonight.

Miss Emma L. Anphere, field secre-tary for the Retail Clerks' association, is to speak at labor hall this evening, her theme will be the raising of ethical standards.

The Retail Clerks' association claims that a girl requires at least \$9.45 per week to support herself comfortably with merely the necessities of life, Following is an itemized account of a week's expenses, according to the figures of the association: Room reserved \$2: car fare, 60 cents; meals, laundry, 50 cents; clothing, \$2; dues, 10 cents; minor expenses, 40 cents; total, \$9.45. The association therefore maintains that it is almost impossible for many of the clerks to live even comfortably, seeing that in many cities statistics show that the average wage is seldom more than \$5 a week.

MAYOR WITHHOLDS APPROVAL

Five of the liquor licenses passed ipon by the city council Monday even ng have not yet passed muster with Mayor Bransford, and have not received his signature. In the opinion of the executive, there is something in the bonds that is not satisfactory, and will make investigations before attaching his signature. The licenses affected are those of John Lollin, A. B. Margetts, the Sullivan Drug company. N. M. Rosenblum and the Chespeake

Other, council proceedings that did not receive the mayor's approval yesterday were paving extension No. 46, suewalk extension No. 141 and curb and gutter extension No. 8.
